Research	I have very limited knowledge of the roles of the officers.	I understand a few of the roles.	I understand the roles of the officers in the Legislature.	I understand the roles of the Legislature and can explain how they have changed over time.
Presentation	My presentation was difficult to understand it was unclear and looks like it was thrown together.	My presentation had basic information. It could be better organized. I wasn't always easy to hear.	My presentation was clear, easy to understand and well organized. I projected my voice well and faced the audience.	My presentation shows my understanding the roles and positions of the officers in the legislature. My costume, graphics, expression, neatness all contribute well to the final product.
Effort	I did not show any interest in this activity.	I put a little bit of effort into this activity.	I made a point to learn my role and activity – I added graphics/pictures and some interesting facts.	I worked very hard each period to grow in my knowledge and understanding.
Group Work (if applicable)	I did not contribute anything and I was not flexible in my thinking.	I gave my suggestions but was not open to the ideas of others or I was open to the ideas of others but did not contribute ideas.	I was at times open to the ideas and suggestions of others I contributed ideas as well.	I worked cooperatively with others; contributing ideas, and being open to suggestions.
